"Remove not the ancient landmark which our fathers have set." Proverbs 22:18

Cranberry's fall meeting, "The Landmark Bible Conference," is scheduled for the last week in September. This year's Bible Conference will begin on Sunday, September 23, and continue through Wednesday, September 26, 2007.

Pastor Roger Green, of Middletown, OH, will be with us for the conference. Brother Roger will speak on Sunday, Monday and Tuesday evenings, September 23 - 25. Brother Roger has pastored the Grace Baptist Church in Middletown for the last 17 years. He and his wife, Brenda, have 4 son's and 17 grandchildren.

Again this year, my brother, James, will be with us to preach in the Landmark meeting. James was saved here at Cranberry in the early fifties when our dad served as the pastor. James will be preaching for us Monday and Tuesday evenings with Brother Green. He will also be preaching for the evening service on Wednesday, September 26. James and his wife, Nancy, have one

son and make their home in Mooresville, NC. James has pastored the Faith Baptist Church in Kannapolis, NC for thirty-seven years.

This year's Bible Conference will actually continue through September 28 with Dr. Clarence Sexton preaching Thursday and Friday night at 7:00pm. Please pray for these men as they come to preach God's Word. May God bless them and use each of them in a mighty way in this year's meeting. I hope you will make plans to be with us on September 23-26, 2007.

OPERATION FISHERS OF MEN

The Lord has truly blessed our summer outreach campaign. The members of Cranberry Baptist Church have knocked over 3,000 doors and have seen several people trust Christ as their Savior. Our people have gone the extra mile in reaching the lost and inviting folks to church! We are trying to reach our county for Christ and this year we concentrated on seven new areas within driving distance of the church. Jesus said in Matthew 4:19, "Follow me, and I will make you fishers of men." Please pray for our workers as we follow up on the many prospects we have received.

BUS MINISTRY NEWS

This summer has been very busy and very fruitful. The Lord continues to bless the bus ministry here at Cranberry. It is exciting to report that over forty children have prayed and received Christ as their Savior since January, plus the ones who were saved during Vacation Bible School! Many of these children have followed the Lord in believer's baptism and are attending regularly. We had a great day on Heritage Day on July 29th. Special thanks to Evangelist Ed Dunlop and his friend, Andy, for the children's rally.

We praise the Lord for those who gave donations allowing us to purchase a new bus at the local school board auction. The new bus was dedicated after a special service on August 15. Pictured is Brenda Evans, who began riding the bus to Cranberry ten years ago. Joe Bowman was her bus driver and Roger Fox was Brenda's bus captain ten years ago!

PLAY BALL! The kindergarten through sixth grade classes had a great time with our summer baseball contest. Each class chose a Major League baseball team name and "competed" against one another. No, we did not really play baseball, but we did compete. Every student in attendance counted for a single; every student over the class average counted for a double; every contact made by the teacher to students counted for a triple; and every visitor was a home run! After seven weeks of "regular season" and a playoff Sunday, July 29 was World Series Sunday! Congratulations to the "A" Kindergarten class and the "B" 3rd & 4th grade class for becoming World Series Champs! Great job kids! Special thanks to Coach Vanessa Giles ("A" Kind.), Coach Debbie Semenske ("A" Kind.), and Coach Karen Marano ("B" 3rd & 4th).

COLLEGE STUDENTS

John Meadows

JOHN MEADOWS—This summer, John was able to work as a summer intern at Ghent Missionary Baptist Church assisting the Pastor. I know Pastor Doug Walls was able to utilize and train Brother John in the ministry work there. We certainly missed John around our church, but were grateful to God for this opportunity. John will complete his senior year at Crown College this May.

MAX EDWARDS—Max went right to work saving money for college this fall. We were able to help Max find his “nich” with the music ministry during the few months he was here. Max led the congregation music numerous times during the Sunday School hour and a few times on Wednesday evening as well. In addition to leading the singing here at Cranberry, he was able to speak a few times during the summer and be involved in our soul winning programs.

Brenda Evans

BRENDA EVANS—Our very own Brenda Evans will be leaving for Crown College in Knoxville, TN. We will miss her greatly here at Cranberry Baptist as she has been an integral part of this ministry. From working a bus route, to singing in the choir, she has been a great help and a real spiritual leader in our youth ministry. We praise the Lord that Brenda was one of the recipients of the 2007 Bus Kid Scholarship! The Lord has met Brenda’s need with this scholarship that provides for tuition, room, and board for her first year of college. We are excited for the opportunity God has given her to go to Crown and ask that you pray for her as she begins her first year of college, and continues to seek God’s will for her life. We are excited to see what God has in store for Brenda as she continues to follow His leadership for her life!!

We are grateful to God for all of the college-aged young people from Cranberry. We also have 5 other students who are attending colleges: Val Culp (New River Community College), Ben Dorsey (Ohio State University), Jill Dorsey (Concord College), Brandon Yost (WVU), and Jordan Yost (WVU).

We praise the Lord for these fine Christian young people who are faithfully following the Lord and seeking His will in their life. We miss you already and are looking forward to Christmas break!

MASTER CLUB SEMINAR

On Saturday, July 21, we had the opportunity to host our first Master Club Seminar. This seminar was not only for our people who work in Master Clubs, but also for area churches who were interested in this program. Our special speaker, Edward Barclay, of Master Ministries, was a great help and encouragement to us all. He gave us much insight into this wonderful children’s program, as well as many new ideas and suggestions for the coming year.

We are excited about a brand new year in Master Clubs, and we hope you are as well. If you have children ages 4 years-6th grade then they will not want to miss our special kick-off for Master Clubs on Wednesday September 5th at 7:00 p.m. There is a special “club” for every age group in Master Clubs, and your child will be proud to be a member. As they hide God’s Word in their hearts, and earn their ribbons and badges you will see them eager to learn more about God and His Word. We have many exciting things planned for the coming year, and we want you and your family to be a part of it!
